TOUR

Access Statement

This access statement does not contain personal opinions as to our suitability for those with access needs, but aims to accurately describe the facilities and services that we offer all our guests.

1. Welcome

From Spring 2016, the live, working TV set of popular ITV serial drama Emmerdale, located within the Harewood Estate in Leeds will open its gates to allow guests to experience a fully guided tour of the popular, fictional village of Emmerdale.

The tour is a guided, timed, walking tour of the village lasting 1.5 hours, there will be limited seating available at locations around the attraction. Guests will walk through the Emmerdale village past many familiar haunts including Bob's Café, The Woolpack and the village Church.

At the end of the tour there is a catering van offering drinks, snacks and a small range of branded merchandise that guests will be able to purchase as souvenirs before they board the coach for their onward journey. There are fully accessible toilets at the start and end of the tour.

Printed scripts are available on request for guests with hearing difficulties and there is limited parking available for guests with wheelchairs which must be pre-booked, see 2.3 for full details.

As it is a working film set Emmerdale The Tour is only available on selected Saturdays and Sundays, from April to October due to weather and light limitations.

Tickets are limited and we expect demand for tickets to be very high so guests are advised to book their tickets as early as possible. Tickets can be booked as part of a package tour with a coach operator or through our website following the procedures below.

We strive to do everything we can to meet our guests specific needs and are always seeking to improve the guest experience. Please read on for more information on facilities, carer tickets, wheelchair access, assistance dogs and printed scripts. If there are any questions we don't answer please don't hesitate to contact us so that we can make sure your needs and expectations are met.
